REAL ESTATE

Private front yard with lawn area.

Entry path from the garage borders the woods. All of the natural wooded setting you view is preserved by covenants.

Living room and dining room combine to create a large space with vaulted ceiling and a wall of view windows facing East.

Dining space can easily be expanded to host a large gathering at Thanksgiving. The Cascade Mountains views are framed by the lush evergreens.

New kitchen is currently in progress. Completion by 10/17 or before. Visualize cherry cabinets, "slate" Corian counters, and "stone tile" Wilsonart (Pergo like) floors.

Cozy family room area adjoining kitchen.

View deck with convenient access to kitchen.

Master bedroom with private deck. Imagine waking up slowly while enjoying a leisurely cup of tea and watching the sunrise

Wake up in the morning and view a family of deer ambling through in this lush natural setting.
